4. UI Element Guidelines

Visual examples of common user interface components.

4.1 Buttons

4.2 Cards & Containers

Card Title

This is an example of a content card. It has a white background, a subtle shadow, and a gold accent border on the left to draw attention. This style is used to contain distinct pieces of information like course summaries or news articles.

5. Brand Protection

5.1 Logo Don'ts

- ✗ Do not stretch, distort, or change the orientation of the logo.
- ✗ Do not place on busy backgrounds without proper contrast.
- ✗ Do not alter the logo colours or add unauthorised effects.
- ✗ Do not crop or disassemble the logo components.

5.2 Implementation Checklist

- ☐ Logo correctly sized and positioned
- ☐ Primary colours accurately reproduced
- ☐ Poppins font family implemented
- ☐ Proper contrast ratios maintained
- ☐ Brand voice consistently applied
